

MST30119 **Certificate III in Clothing and Textile Production**

New Futures Training provides nationally accredited vocational training and employment support for people from migrant, refugee and asylum seeker background.

As a **not-for-profit**, community organisation we are committed to creating opportunities for diverse communities. Our courses are industry focused, language supported and affordable. Our trainers come from diverse backgrounds with extensive industry experience.

Course overview

If you are just starting out or looking to refresh your sewing skills, or learn advanced sewing techniques, then this qualification will suit you perfectly!

You will learn about fabric identification, fabric cutting, pattern-making techniques, sewing techniques, professional finishing and alterations, all of which are important skills in this creative industry.

Outcomes

- Dressmaker
- Pattern maker/Technician
- Sample hand machinist
- Fashion Designer
- Home based business sewing
- Assistant finisher
- Production machinist

Delivery mode

- In-class

Duration

The course duration is approximately **80 weeks** (including holidays).

You will be expected to attend **class 1 or 2 days per week**.

Recommended self-study time is a minimum of 10 hours per week.

Placement

This hands-on, practical course has no additional placement requirements.

Why study with us?

New Futures Training is committed to delivering flexible training programs that cater to the cultural, employment, language and personal needs of our students.

We want to see you succeed!

Here are some of the many services available to you:

Child care

Leave your child in our care while you study. All our students have access to New Futures Early Learning Centres on campus.

Payment Plans

All our courses are government funded for eligible persons. We also offer 'Payment Plans' to assist you with the fees.

Language Support

Language support is for students with English as a second language and focuses on the development of the student's ability to communicate effectively in English.

Entry requirements

You will need a minimal level of skills in listening, speaking, reading and writing.

The minimum age requirement for this course is 16 years

Considerations

Working under pressure.

Required to be physically fit as some lifting may be required.

May be required to work in noisy garment making facilities and wear ear protection (PPE).

Fees

Government funding is available for eligible persons.

Please refer to our fees handout, website or contact us for more information.

Units

5 Core units

MSMENV272	Participate in environmentally sustainable work practices
MSMWHS200	Work safely
MSMSUP102	Communicate in the workplace
MSS402051	Apply quality standards
MSTGN3014	Organise and plan own work to achieve planned outcomes

14 Elective units
